4. Bharat International Rice Conference 2026 (BIRC 2026)

Bharat International Rice Conference (BIRC) 2026 is scheduled on 23–25 October 2026 | Hall Nos. 4 & 5, Bharat Mandapam, New Delhi, India.

Bharat International Rice Conference – 2026 is a premier event focused on the sustainable cultivation, processing, and Export Promotion of Indian rice. . It brings together all stakeholders directly or indirectly serving the rice sector including exporters, millers, international buyers, policymakers, farmers, technology providers, logistics companies, financial institutions, certification agencies, packaging companies, machinery manufacturers and allied service providers under one roof. BIRC 2026 offers international buyers a unique opportunity to engage directly with India's complete rice ecosystem at the source. India is one of the world's most important rice economies, with leadership across production, exports, varietal diversity, processing capacity and global supply networks.

For international buyers, BIRC 2026 will provide:

Direct access to Indian rice exporters and millers

Opportunities to meet new suppliers and strengthen existing sourcing relationships

- Exposure to Basmati, non-Basmati, GI-tagged, specialty and valueadded rice products
- A proposed showcase of around 1,000 rice varieties from India and other countries
- Curated B2B meetings and buyer-seller engagement

- ▶ Access to policymakers, trade bodies, port authorities, certification agencies and logistics providers
- ▶ Insights into crop outlook, demand-supply trends, pricing, quality standards and market access
- ▶ Technical sessions on shipping, risk management, arbitration, compliance, traceability and food safety
- ▶ Opportunities to explore packaging, processing, agri-tech, AI-based solutions and efficiency-improving innovations
- ▶ Knowledge on value-added rice products, cost structures, new markets and diversification opportunities

International buyers, importers, distributors, retailers, food companies, investors, technology providers and trade delegations are invited to participate in BIRC 2026 and engage with one of the world's most important rice ecosystems.
