A Flagship
Conference-Cum-Exhibition
of the Ministry of Steel

<https://bharat.steel.gov.in>

16-17 APRIL, 2026

BHARAT MANDAPAM,
NEW DELHI

Shri Narendra Modi
Hon'ble Prime Minister

"As India strides towards a \$5 Trillion economy, our steel sector - the world's second-largest producer - is forging a resilient, revolutionary, and steel-strong Viksit Bharat."

Shri H. D. Kumaraswamy
Hon'ble Union Minister
of Heavy Industries and Steel

Shri Bhupathiraju Srinivasa Varma
Hon'ble Union Minister of State for
Heavy Industries & Steel

THE FUTURE OF STEEL IS HERE

**CLEAN. GLOBAL.
RESILIENT.**

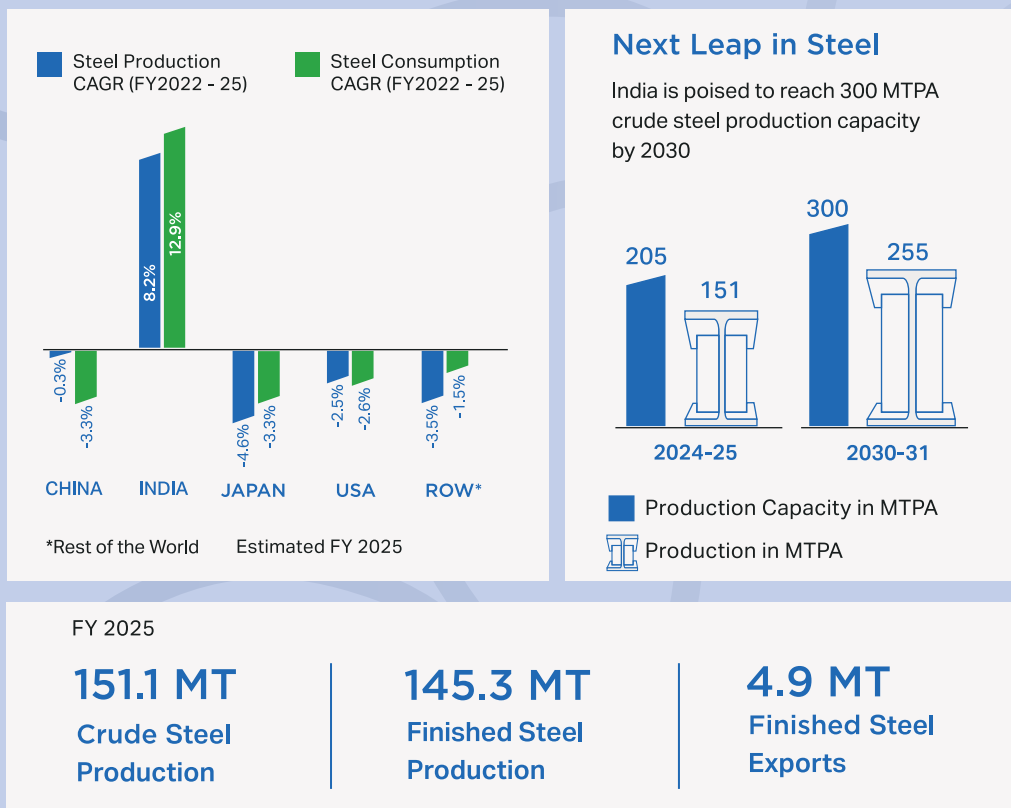

INDIA IS NOT JUST A PART INDIA IS THE FUTURE OF STEEL

As global supply chains evolve, India is fast emerging as the preferred destination for the steel industry - a hub for innovation, investment, and growth. Today, India stands as the world's second-largest crude steel producer, backed by rich iron ore reserves and cost-effective labour.

With India emerging as a global epicentre for steel innovation and sustainable growth, **Bharat Steel 2026 - The Future of Steel** is the International platform hosted by the **Ministry of Steel, Government of India**. **Bharat Steel 2026** will spotlight collaboration opportunities in building a **Clean, Global, and Resilient** steel ecosystem.

COLLABORATION

CLEAN & GLOBAL

CIRCULARITY

FUTURISTIC

SUSTAINABLE

CLEAN. GLOBAL. RESILIENT.

India is forging a bold new chapter in its steel story — rooted in sustainability, self-reliance, and global leadership. From championing speciality steel and securing raw materials to driving innovation, policy support, and global trade, this Conference-Cum-Exhibition will bring together industry leaders, innovators, and key stakeholders to shape India's Steel Vision. It is a space for ambitious ideas, strategic alliances, and transformative action.

As global demand shifts toward cleaner, smarter materials, we invite international players and industry leaders to be part of this landmark event — and build strength not just in steel, but in sustainability, innovation, and global relevance.

WHY PARTICIPATE IN BHARAT STEEL 2026

CHAMPIONING SPECIALITY STEEL

- Forging India's future: Steel sector's role in Viksit Bharat
- Catalyzing Steel Demand for a New India: Infrastructure & Beyond
- Trade & Policy to enhance steel exports
- Decarbonizing Steel: Pathways to Sustainability
- Specialty Steel: Innovating for High-Performance and Strategic Applications
- Digitalization & Industry 4.0 in Indian Steel Sector
- Building Steel's Backbone: Logistics and Infrastructure

GLOBAL NETWORKING

Connect with key players from steel, mining, logistics, and equipment sectors. Engage with Central & State Government officials who play crucial role in building capacity, shaping policy, and investing in the steel story of tomorrow.

GET STRATEGIC INSIGHTS

As India emerges as the next growth engine, this is your chance to hear from the steel sector's top leaders on how they're navigating disruption, driving investments, and advancing sustainability.

TECHNOLOGY, INNOVATION & IMPACT

Steelmaking is transforming - becoming smarter, greener, and safer.

At Bharat Steel 2026, witness breakthrough innovations and next-gen solutions from technology pioneers, redefining the production landscape.

EXHIBIT TO GROW

Boost your brand's visibility and reach qualified buyers; participate in exhibition to showcase your latest innovations, equipment, and services to drive business.

WHO SHOULD PARTICIPATE

- Steel Producers
- Steel Movers
- Construction Material Suppliers
- Logistics Providers
- Mining Organizations
- Govt. Policy Makers
- Safety Institutes
- Infrastructure Industry
- Infra & Real Estate Developers
- Global Steel Organizations
- Financial Institutions
- Steel Consultants
- Machinery & Equipment Manufacturers
- Technology Providers
- Global Buyers
- State Corporations
- Domestic & International Investors
- Environment & Sustainability Companies
- Engineers & Architects
- Researchers & Scholars
- Warehousing & Material Handling Firms
- Automotive Industry
- Energy Sector
- Consumer Durables
- Component Manufacturers

STEEL SECTOR EXHIBITORS

MANUFACTURING & TECHNOLOGY

METALLURGY & EQUIPMENT

METAL & METAL MACHINERY

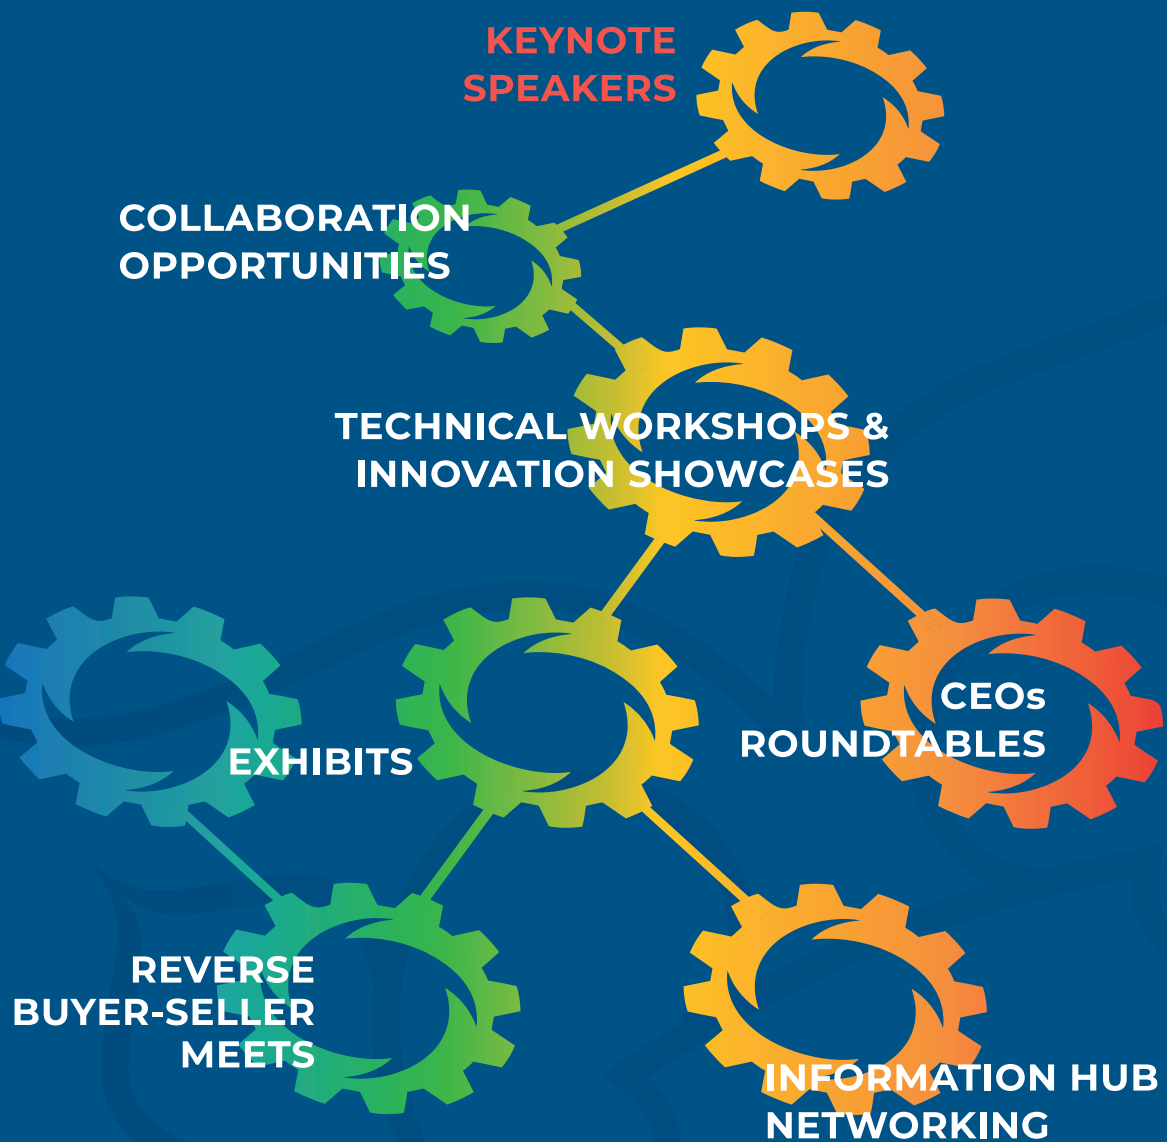

MINERALS SOURCING & PROCESSING

SHIPPING AND FORWARDING AGENTS

REAL ESTATE DEVELOPERS

ORGANISED BY

इस्पात मंत्रालय
**MINISTRY OF
STEEL**
Government Of India

The event is organised by the Ministry of Steel with a focus on driving growth and development of India's iron and steel industry. It covers policy formulation on production, pricing, trade, and the development of key input industries like iron ore, manganese, chrome and others.

PARTNERS

Steel Authority of India Limited is one of the largest steel producers in India.

A Maharatna PSU, SAIL plays a key role in strengthening India's infrastructure with its wide range of steel products

एनएमडीसी
NMDC
Responsible
Mining

NMDC, India's largest iron ore producer is driving innovation and sustainability in mining. As a Navratna PSU, NMDC brings industry expertise and national impact to the forefront of this event.
