HoM/HoP from Additional Secretary (PSP) & CPO

This is with reference to our earlier message No. 2301/AS(PSP)&CPO/2020 dated 1 June, 2020.

2. I am attaching the revised list of paid Quarantine Centres (QC) received from the State Government of West Bengal (GoWB). This may be circulated amongst all the foreign returnees who are scheduled to land in Kolkata. GoWB has pointed out that the returnees are booking in the old QCs which is causing inconvenience not only to the returnees but also to the local administration. In many cases, returnees have been found to have booked in facilities which are no longer in the approved list.

3. Missions/Posts abroad are requested to allow only those passengers to board the aircraft who have pre-booked the QC from the list enclosed with this message. This will obviate the difficulties being faced at the Airport where the returnees are demanding home quarantine on arrival which is not permissible as per the guidelines of MoHFW of 24 May, 2020. This is happening despite the fact that these passengers have signed an undertaking/indemnity bond to undergo a paid quarantine at their own cost. Mostly, these people claim that they do not have money and, hence, ask permission to undergo home quarantine.
